PHILIPS HEARTSTART FIRST AID A.E.D.

APRIL, 2020

Philips Heartstart First Aid (HS1) A.E.D.

The most popular and reliable Automated External Defibrillator on the market, the Philips First Aid A.E.D. has contributed to life saving successes for many years.

Intuitive functionality and ease of use makes the Heartstart First Aid A.E.D. the ideal companion in the early intervention of sudden cardiac arrest.

The Philips Heartstart First Aid Automated External Defibrillator is a self-maintaining device and performs daily, weekly and monthly self-checks and calibration.

Simplicity of use facilitates early emergency treatment – this increases the chance of survival from cardiac arrest. In addition, the Heartstart First Aid A.E.D. provides clear, concise CPR instruction

Rated at **IP21** this defibrillator is moisture resistant (drip proof) and impact resistant.

The Philips Heartstart First Aid A.E.D. supplied complete with:

Robust Carry Case

- 1 x Set Adult Chest Electrodes
- 1 x Disposable 4-5 year Lithium Battery
- 1 x Quick Reference Guide
- 1 x Chest Preparation Kit
- 1 x Clothing Shears
- 1 x User Manual

ORDER CODE: **M5066AABU**
